...teaching the whole child the whole truth.

Dear Local Business or Organization,

You have been invited by someone you know to participate in promoting your products and/or services to over 400 families of Calvary Christian School in Columbus, Georgia.

Our "**school directory yellow pages**" are an exciting new way for connecting our school families with local businesses referred by other school families for products and services they need and want. What we are developing is a "true" referral network directory to be included in our school directory that will be beneficial to both our school families and to the local businesses and organizations they know and trust. Because you have been referred to us by one of our own, you are not just another faceless business like those in the regular phone book yellow pages. You have been highly recommended by someone who knows you for your professionalism, good-business practices, and integrity.

Our referral network is open only to those businesses and organizations which have been **personally** referred by someone associated with Calvary Christian School. You are one of those businesses that someone in our school has referred. We hope you will take advantage of this unique opportunity and choose to place an advertisement in our school directory yellow pages.

Benefits:

- Your business will come highly recommended from one CCS family to another, giving you an advantage over other businesses not included in our directory.
- **EVERY** Calvary Christian School family will receive a directory at absolutely **NO COST**, which will ensure that every family receives a copy of the directory that includes your business listing.
- The number of businesses in each category is limited to provide some exclusivity. Be sure to place your order as early as possible as popular business headings will be adopted early.

Order Now!

The cost for your business or organization to be listed in the 2007-08 Calvary Christian School Directory is only **\$40.00**. To place your order, simply follow the directions on the order form included with this letter.

Sincerely,

Angie Bacon
CCS Music Booster Club
