

Calvary Christian School
Website – Student Directory
Release Form
 www.calvaryknights.com

Calvary Christian School maintains a website to provide information for our current students and parents as well as to attract new families to the school and other Calvary ministries.

For privacy and safety reasons, it is important to know that:

1. No student identifying information (home address, e-mail address, phone number, or other identifying information) other than a photo or name may appear on any Calvary Ministries website.
2. Both a name and photograph of any student **may NOT appear together** or be linked in any manner, regardless of whether that student appears as an individual or in a group. Where a recognizable photo of one or more students appears, the names of those students shall not appear in that web page section in any manner in which they might be associated by persons viewing the website. Likewise, where student names are listed on a web page, no photos of those students may appear in any manner in which they might be associated by persons viewing the website.
3. **Exception:** At times, a parent, coach, or teacher may want to showcase a particular student(s) for an award, honor, or accomplishment by including both a photo and the name of the student(s) together on a web page. This exception will be allowed only with prior written consent of the parent or guardian. The parent or guardian must complete, sign, and submit a separate “**website exception request**” form to the school principal or designated administrator for approval. Forms are located in and may be returned to the high school office.

Calvary Christian School may publish a Calvary Student Directory to provide current student information to CCS families.

For privacy and safety reasons, it is important to know that:

1. The directory will include the student’s name, address, phone number, grade level and parent(s)/guardian(s) names.
2. The directory will be distributed **only** to Calvary families, faculty and staff.
