

## **Middle School Science Teacher (Full Time)**

### **Description**

Calvary Christian School seeks to teach the whole child the whole truth in every aspect of our school. This full-time faculty member in our Middle School Division will be an integral member of our staff. We are seeking an experienced, talented, and energetic science teacher for the 2023-2024 school year. Successful candidates will demonstrate:

- Content area expertise by having completed an academic degree which includes a strong background in one or more of the following areas: life science and physical science
- Ability to teach Middle School courses
- Experience and/or training in science instruction including labs and inquiry-based learning
- An understanding and interest in teaching science through a biblical worldview
- Ability to work collaboratively with school administration, teaching teams, and division colleagues
- Ability to effectively and regularly communicate with Middle School students, parents, peers, and community
- Strong planning and organizational skills
- Competency in teaching students with wide-ranging academic abilities
- Ability to explore and execute technology in the classroom as an instructional tool to enhance learning
- High standards of professional conduct, support of the Christian mission of Calvary Christian School
- Additional skills that contribute to school life: the ability and eagerness to lead or assist in co-curricular activities (such as spelling bee, athletics, or school clubs)

### **Qualifications**

- Bachelor's Degree required (Master's degree preferred)
- 1 – 3 Years of Experience Preferred

- Valid teaching certificate
- A transcript should reflect upper-level science coursework
- Strong Christian Testimony
- Maintain ACSI certification
