After reading *The Sign of the Beaver* by Elizabeth George Speare, you will type a three-paragraph summary (double spaced). Make sure you mention the title of the book and the author in your topic sentence (first sentence).

Each paragraph should be at least 5 sentences and be about the first, middle, and end of the novel. Make sure you tell the who, what, when, where, why, and how. Check for spelling and punctuation. Be ready to discuss and do follow-up activities when you return to school in August.
