Job Title: High School Math Teacher

Calvary Christian School is committed to educating the whole child by integrating biblical truth into all aspects of our academic and extracurricular programs. We are seeking a highly qualified, dedicated, and dynamic High School Math Teacher to join our faculty for the 2025-2026 academic year. This vital role will contribute to our mission of fostering academic excellence, spiritual growth, and a Christ-centered community.

Key Responsibilities:

- Design and deliver rigorous, engaging math instruction, grounded in a biblical worldview, to promote conceptual understanding and critical thinking.
- Collaborate effectively with school leadership, faculty teams, and department colleagues to enhance curriculum development and support school initiatives.
- Maintain clear, consistent, and professional communication with students, parents, colleagues, and the broader school community.
- Differentiate instruction to address the diverse academic needs of students, fostering an inclusive and supportive learning environment.
- Integrate technology strategically as an instructional tool to enhance student engagement and learning outcomes.
- Uphold high standards of professional conduct and actively support the Christian mission and values of Calvary Christian School.
- Engage in co-curricular activities, such as Math Team, athletics, or student organizations, to enrich the school's vibrant community.

Qualifications:

- Bachelor's degree in Mathematics, Education, or a related field, or equivalent professional experience in mathematics instruction; Master's degree preferred.
- Demonstrated experience and/or training in high school mathematics instruction.
- Academic transcript reflecting advanced coursework in upper-level mathematics.
- A strong Christian testimony, serving as an exemplary role model for students through a vibrant, active faith.
- Commitment to obtaining and maintaining ACSI certification.
